Formulation of Energy and Climate Policy: Toward an Open and Transparent Process

Woodrow Wilson International Center for Scholars
1300 Pennsylvania Ave NW
Washington, DC 20004

Day One – June 18

9:00  Check In (Light Continental Breakfast)

Session Moderator: Kent Hughes, Wilson Center

9:30  Welcome and Opening Remarks (6th Floor Auditorium)
Honorable Howard Baker, Jr.
Honorable Lee Hamilton

10:00  Keynote Lectures:
Daniel Poneman – Deputy Secretary U.S. Department of Energy
Nick Mabey – Founding Director and the Chief Executive of E3G

Session Moderator: Tim Valentine, Baker Center

11:30  Lunch (6th Floor Dining Room)
Jon Strauss – Interim Dean, College of Engineering, Texas Tech University

Session Moderator: Terry Michalske, Sandia National Laboratories

1:00  Discussion Panel #1 – Applying a systems approach: Key elements for success and challenges for the future. (6th Floor Auditorium)
Panel Chair
Les Shephard – Vice President for Energy, Resources, and Non-proliferation, Sandia National Laboratories

Panel Members
John Sterman – Director MIT Systems Dynamics Group and Professor, MIT Sloan School of Management
Kristine Poptanich – Chief, Risk Integration and Analysis Branch, Department of Homeland Security
Estevan Lopez – Director, NM Interstate Stream Committee
Lance Knobel – Independent Writer and Strategist

2:30  Break
3:00  Discussion Panel #2 – Energy and Climate policy and stakeholder domains: Goals, perspectives, and interconnections. (*6th Floor Auditorium*)

**Panel Chair**

Arnie Vedlitz – Professor, Director of the Institute for Science, Technology and Public Policy, and Bob Bullock Chair in Government and Public Policy Texas A&M University; The Bush School of Government and Public Service

**Panel Members**

Bob Simon – Staff Director of the U.S. Senate Committee on Energy and Natural Resources
Sharon Burke – Vice President for Natural Security at The Center for a New American Security
Bracken Hendricks – Senior Fellow, Center for American Progress
Anthony Janetos – Director of the Joint Global Change Research Institute

4:30  **Keynote Lecture: (6th Floor Auditorium)**

Linda Sanford – Senior Vice President for Enterprise Transformation & Information Technology, IBM

5:30  **Reception for all participants and special guests (6th Floor Dining Room)**

7:00  **Adjourn**

---

**Day Two – June 19**

**Session Moderator: Doug Rotman, Lawrence Livermore National Laboratory**

8:00  **Keynote: (6th Floor Auditorium)**

Tomas Diaz de la Rubia – Laboratory Chief Research and Development Officer, Lawrence Livermore National Laboratory

8:30  **Breakout Sessions:**

Group participation sessions will apply the concepts and approaches highlighted from day one to specific energy and climate challenges. The goal is to demonstrate:

- How the systems framework would be assembled,
- What perspectives and stakeholders need to be included,
- What existing models/resources could be utilized, and
- How the systems framework could be implemented in an open, transparent, and highly accessible approach.

**Breakout Session #1 – Secure, Low-Carbon Transportation System (6th Floor Dining Room)**

**Session Leader**

Bob Carling – Director Transportation Energy Center for Sandia National Laboratories

**Panel Members**

Dan Kammen – Professor of Energy and Society/Director, RAEL (UC Berkeley)
Dennis Assanis – Jon R. and Beverly S. Holt Professor of Engineering and Director of the Michigan Memorial Phoenix Energy Institute
Rekha Pillai – Program Manager, Laboratory Directed Research and Development Leader, Decision Engineering, Energy and Transportation Science Division Faculty, Executive MBA, The University of Tennessee Oak Ridge National Laboratory
Breakout Session #2 – Secure, Low-Carbon Electricity System (*6th* Floor Moynihan Board Room)

**Session Leader**
Tim Anderson – University of Florida Distinguished Professor Director of the Florida Energy Systems Consortium

**Panel Members**
John Kelly – Vice President Technology Solutions, Endurant Energy
David King – Director, Energy Policy, USAF
Massoud Amin – Professor, University of Minnesota
Sam Baldwin – Chief Technology Officer, DOE
Mark Jamison – Director, PURC, University of Florida
David Coen – NARUC Commissioner and Member of the Vermont Public Service Board
Charles Gray – Executive Director of NARUC

**Session Moderator:** John Tuck, Baker Center
12:00 Lunch (*6th* Floor Dining Room)

**Session Moderator:** Kent Hughes, Wilson Center
1:30 Breakout Briefings to all Participants (*6th* Floor Auditorium)
Panel chairs present first cut at distilled set of recommendations and provide time for group discussion and input.

2:30 Adjourn
